Redrawing India Kovid Gupta,Shaheen Mistri,2014-11-01 Eighteen-year-old Shaheen Mistri, having grown up around the world, spends the summer in Mumbai and wanders into the Ambedkar Nagar slum community. She sees Pinky, who becomes the first of the thousands of children whose lives she will touch on her journey. Hers are the endlessly compelling stories of the underprivileged children of India, the harsh realities that they face, and the hope and love that will catapult them into being a future generation of leaders. This is a story of the power of personal reflection and makes us ask ourselves the question, 'What is the greatest life I can live?' And in answer are the personal accounts of so many Teach For India Fellows and staff, India's best and brightest, who have shown that each and every one of us, working together, towards the belief that one day every child will have the opportunity to receive an excellent education, has the power to change the world.

Her Honor LaDoris Hazzard Cordell,2021-10-26 In Her Honor, Judge LaDoris Hazzard Cordell provides a rare and thought-provoking insider account of our legal system, sharing vivid stories of the cases that came through her courtroom and revealing the strengths, flaws, and much-needed changes within our courts. Judge Cordell, the first African American woman to sit on the Superior Court of Northern California, knows firsthand how prejudice has permeated our legal system. And yet, she believes in the system. From ending school segregation to legalizing same-sex marriage, its progress relies on legal professionals and jurors who strive to make the imperfect system as fair as possible. Her Honor is an entertaining and provocative look into the hearts and minds of judges. Cordell takes you into her chambers where she haggles with prosecutors and defense attorneys and into the courtroom during jury selection and sentencing hearings. She uses real cases to highlight how judges make difficult decisions, all the while facing outside pressures from the media, law enforcement, lobbyists, and the friends and families of the people involved. Cordell's candid account of her years on the bench shines light on all areas of the legal system, from juvenile delinquency and the shift from rehabilitation to punishment, along with the racial biases therein, to the thousands of plea bargains that allow our overburdened courts to stay afloat—as long as innocent

people are willing to plead guilty. There are tales of marriages and divorces, adoptions, and contested wills—some humorous, others heartwarming, still others deeply troubling. Her Honor is for anyone who's had the good or bad fortune to stand before a judge or sit on a jury. It is for true-crime junkies and people who vote in judicial elections. Most importantly, this is a book for anyone who wants to know what our legal system, for better or worse, means to the everyday lives of all Americans.

Cuckold Kiran Nagarkar, 2015-10-20 The time is early 16th century. The Rajput kingdom of Mewar is at the height of its power. It is locked in war with the Sultanates of Delhi, Gujarat and Malwa. But there is another deadly battle being waged within Mewar itself. Who will inherit the throne after the death of the Maharana? The course of history, not just of Mewar but of the whole of India, is about to be changed forever. At the centre of *Cuckold* is the narrator, heir apparent of Mewar, who questions the codes, conventions and underlying assumptions of the feudal world of which he is a part, a world in which political and personal conduct are dictated by values of courage, valour and courtesy; and death is preferable to dishonour. A quintessentially Indian story, *Cuckold* has an immediacy and appeal that are truly universal.

The Break-up of British India Bishwa Nath Pandey, 1969 This book traces the growth of Indian National movements and British policy. In the context of their origins in earlier centuries, Dr. Pandey provides a lucid analysis of the economic and social developments that took place during the last forty years of the British Raj. The first three chapters investigate the structure of the British Raj, its administration, its relations with the British government, and its policies. They trace the emergence of both Indian nationalism and Muslim separatism and examine the causes of the latter's rapid growth. The following chapters objectively interpret the story of the triangular struggle between colonialism, communalism, and nationalism from 1910 to 1947. In this part of the book, the author explains how the independence as well as the partition of India became inevitable, and shows a clear perception of the character of the few men in whose hands lay the fate of millions—Gandhi, the Nehrus, Patel, Jinnah, Linlithgow, Wavell, and the last Viceroy Mountbatten -- Provided by publisher.

The News from Paraguay Lily Tuck, 2005 A historical epic that tells an unusual love story, *The News from Paraguay* offers a kaleidoscopic portrait of 19th-century Paraguay, a largely untouched wilderness where Europeans and North Americans intermingle with both the old Spanish aristocracy and native Guaraní Indians.

In this study, originally published in 1985, the author clarifies the concepts of magical realism and the fantastic, and establishes a series of guidelines that will allow us to distinguish between the two similar yet independent modes.
