Original Kriya Yoga Rangin Mukherjee, 2020-06-09 Countless Kriya Yogis, tracing their lineage back to Lahiri Mahasaya, have continued to disseminate the ancient practice of Kriya Yoga to new disciples in India and in the West. Through a combination of miscommunication and intentional alternations, however, much of what is taught as Kriya Yoga today is far from what was originally taught, often to the detriment of sincere practitioners. In this short, practical, and experiential guide, Sri Mukherjee reveals some key points of the original Kriya Yoga, as taught by Lahiri Mahasaya to his disciple Swami Pranabananda, which was passed down to Sri Mukherjee. What is made available here has not been altered through the distorting effects of formal organizations (which Lahiri Mahasaya and Swami Pranabananda both eschewed), but comes through guru-to-disciple transmissions. Fearing the loss of the original Kriya Yoga as taught by Lahiri Mahasaya, Sri Mukherjee has generously written this book in order to record and to share this most valuable of all human knowledge. Sri Mukherjee is the disciple of Shri Gyanendranath Mukhopadhyay who was the author of *Pranab Gita*. *Pranab Gita* was compiled and written from meetings that Shri Mukhopadhyay had with his guru Swami Pranabanandaji, who was, in turn the disciple of the revered Lahiri Mahasaya. This book, along with other volumes by Sri Mukherjee, explains Kriya Yoga and builds on the website at www.originalkriyayoga.com.

Sadhguru, More Than a Life Arundhati Subramaniam, 2010 'The thirst to be boundless is not created by you; it is just life longing for itself.' —Sadhguru This is the extraordinary story of Sadhguru—a young agnostic who turned yogi, a wild motorcyclist who turned mystic, a sceptic who turned spiritual guide. Pulsating with his razor-sharp intelligence, bracing wit and modern-day vocabulary, the book empowers you to explore your spiritual self and could well change your life. It seeks to re-create the life journey of a man who combines rationality with mysticism, irreverence with compassion, ancient wisdom with a provocatively contemporary outlook and a deep knowledge of the self with a contagious love of life. Described as 'a profound mystic, visionary humanitarian and prominent spiritual leader of our times', he is equally at home in a satsangh in rural Tamil Nadu as at the World Economic Forum in Davos. In his early years, Jaggi Vasudev (or Sadhguru as he is now known) was a chronic truant, a boisterous prankster, and later a lover of motorbikes and fast cars. It is evident that the same urgency, passion and vitality echo in his spiritual pursuits to this day, from his creation of the historic Dhyanalinga—the mission of three lifetimes—to his approach as a guru. In Sadhguru's view, faith and reason, spirituality and science, the sacred and the material, cannot be divided into easy binaries. He sees people as 'spiritual beings dabbling with the material rather than the reverse', and liberation as the fundamental longing in every form of life. Truth for him is a living experience instead of a destination, a conclusion, or a matter of metaphysical speculation. The possibility of self-realization, he strongly believes, is available to all. Drawing upon extended conversations with Sadhguru, interviews with Isha colleagues and fellow meditators, poet Arundhati Subramaniam presents an evocative portrait of a contemporary mystic and guru—a man who seems to pack the intensity and adventure of several lifetimes into a single one.

Kriya Yoga Exposed Santatagamana, 2017-10-05 This is not your common guide to Kriya Yoga. It is something you've never seen before. This is for those who are sick of the secretiveness of Kriya Yoga and all the taboos. They just want the end

of misery and are sick of this human-ego-game played by most Kriya Gurus and Kriya organizations. This is not a publication with cliché yoga theory and no practice instructions. It gives very powerful direct teachings and actual instructions. These themes will be addressed: Current Kriya Yoga Masters and organizations will be exposed without any biased filter; The often misunderstood Inner Guru and its nature will be revealed; The whole Spiritual Process of Kriya Yoga and Spirituality, in general, will be explained; The sharing of a new discovery regarding the Higher Kriyas, the Final Special Kriya, never shared before in the literature of Kriya, will boost your practice beyond belief; It also includes the techniques of the First Kriya, with an in-depth explanation on how to quickly achieve Kechari Mudra that is not found anywhere else; The most powerful Kundalini awakening technique that Gurus and organizations rarely teach will be given at the end of the First Kriya; The ultimate question whether Kriya Yoga can lead you all the way to True Enlightenment will be answered; Lahiri Mahasaya and other True Masters' words will be used throughout the book to support what is written; And much more. This book will help you become free from the dogmas and beliefs created by the Kriya Gurus, organizations and Kriya literature, and also help you awaken the essential discernment needed to take that very important step forward, toward yourself, toward your True Self, the Infinite Consciousness within you. By exposing the truth about some organizations and Gurus, I'm sure their followers will want to give bad reviews to this book. Either that or their newly awakened discernment will help them make a huge breakthrough toward True Enlightenment. I will take that risk. And so should you.

Midnights with the Mystic Cheryl Simone, Sadhguru Jaggi Vasudev, 2008-05-16 “With the elegance of simplicity, this book takes you on an exploration of consciousness that will shift you to a higher reality.” —Deepak Chopra, New York Times—bestselling author of *The Seven Spiritual Laws of Success* Constructed around a series of late-night conversations around a campfire between Cheryl Simone and Sadhguru Vasudev on an island in the middle of a Western North Carolina lake near her mountain home, *Midnights with the Mystic* is the most thorough exposition of the teachings of India’s most sought-after mystic. Sadhguru challenges us to embrace the possibility that to each of us is available a higher realm of reality, a peak of consciousness—an entrée into the realm of freedom and bliss. Simone, an Atlanta real estate developer, was the typical baby boomer in search of an authentic spiritual experience. Professionally successful, yet spiritually arid, she discovered a way into what she was looking for in the teachings of Sadhguru. Concrete and down-to-earth, *Midnights with*

the Mystic provides both an introduction to profound spiritual teaching and a personal glimpse of a charismatic guru. “If you read this powerful book, you will discover who you really are, who we all are.” —Neale Donald Walsch, author of *Conversations with God*

Babaji and the 18 Siddha Kriya Yoga Tradition Marshall Govindan, 1991 The first authoritative biography of Babaji, the immortal master made famous by Yogananda's Autobiography of a Yogi, an all-time best-seller. This rare account, by a long time disciple, reveals their little known stories, ancient culture and present mission, as well as how their Kriya Yoga can be used to bring about the integration of the material and spiritual dimensions of life. Clear explanations of the psychophysiological effects of Kriya Yoga and guidelines for its practice are given. It includes verses from the Siddhas' writings with commentary. Siva Sutra Shailendra Sharma, 2012-10-24 Discovered in Kashmir, Shiva Sutras have a distinguished place among the spiritual scriptures of Sanatana dharma. About 250 years ago, there lived in Kashmir a Brahmin Shiva devotee named Vasugupta. He once had a dream in which he was directed by Lord Shiva himself to find a cave on the Shankara hill. He was told that inside it he would find a huge rock, on turning which he would receive the spiritual knowledge bestowed by Shiva himself. He was directed to absorb it and spread it in the society. The very next day Vasugupta went to the said place with a few others. There he beheld the same cave and the same rock. On turning the rock he found 77 sutras carved on it. These same sutras have reached us through the blessings of the great Shiva devotee Vasugupta. These sutras are in three parts- 1. Shambhavopaya, 2. Shaktopaya, and 3. Anvopaya. Lord Shiva, the Adiguru of all the disciplines, has given these indicators in the form of sutras out of compassion for such devotees who are ambitious to know the secrets of creation by becoming self realized through an ardent practice of yoga; for those who would be able to understand and experience these truths in their lives.
